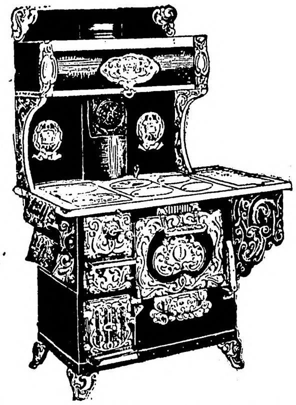
THE ROYAL JEWEL
STEEL RANGE

THE LATEST and BEST



Every improvement that long experience has suggested, or ingenuity discovered, every labor-saving device and every fuel-saving device is embodied in this Range.

BODY OF RANGE is made of the very best quality, heavy, cold-rolled, blued sheet steel, lined with Asbestos.

OVEN is large and well ventilated, and being made of sheet steel, will never warp nor crack.

FIRE BOX—Best proportioned and most economical ever constructed. Improved Duplex Grate.

BURNS EITHER COAL OR WOOD

THE FRONT KEY PLATE over fire is hinged and can be raised and lowered so that toasting and broiling can be readily done.

PREFACE

IN presenting the **Thirty-Ninth Annual Edition of the City of Hamilton Directory,** we thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given us and for the substantial increase in advertising. As our last edition proved very satisfactory, we are quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc. In due time our canvassers will call on you for the renewal of your patronage.

Wishing our subscribers a prosperous year, we remain,

Respectfully yours,

HENRY VERNON & SON,

JANUARY, 1912. **127 Jackson Street West.**
